## Franconia Notch State Park

### About the RV Park

The seven-site RV park, located on the north shore of scenic Echo Lake in Franconia Notch State Park, is open year-round.

### Facilities, Services and Amenities

Three-way hook-ups are provided during the regular camping season. However, there is no water or sewer, including dump station, available from mid-October through May 1. RVs must be self-contained. Each site has a picnic table and fire ring. Bathrooms are available seasonally at the beach but are locked at night.

### Activities

The RV park provides a great base from which to enjoy hiking, biking, fishing, swimming, and the many attractions of the White Mountains. They include the Flume Gorge and Cannon Mountain Aerial Tramway, which are both located within Franconia Notch State Park. In addition, many campers enjoy the convenience of winter RV camping at the base of popular Cannon Mountain Ski Area.

### About the Policies

- Check-in is between 1 pm and 8 pm. Check-out is 11 am.
- Payment is due upon registration. The park accepts cash, voucher, money order, Mastercard, Visa, or Discover.
- Envelopes for self-registration are located on the back of the toll booth at the entrance to the Echo Lake parking area and RV park. Please fill out, pay fee, and deposit envelope in the designated slot.
- Visitors are required to pay the day-use fee and may visit in the campground during posted visitor hours.
- Quiet hours are from 10 pm to 7am.
- Pets are not permitted in the campground.
- Your RV must have the capability of being hooked up to water, electric, and sewer.
- Campers with reservations may move onto their sites upon arrival. Campers without reservations may move onto sites not designated as reserved.
- Tents or auxiliary shelters are not permitted.
- Firewood is a major carrier of exotic insects and tree diseases. Please do not bring firewood from out-of-state locations.

### For Your Safety

Do not invite bears or other wild animals into the campground or to your campsite. Keep a clean site, free of food smells and scraps; dispose of trash properly. Be sure to remove all food items from tables and tents and secure them in your vehicle at night. Coolers left out are easily opened and destroyed by hungry bears.
