

# Coleman State Park

## Camping Information

### About the Campground

The park is located on Diamond Pond Road in Stewartstown, 12 miles east of Colebrook off Route 26. Coleman offers 25 sites adjacent to Little Diamond Pond. The sites can accommodate most camping equipment including self-contained RV's; however there are no hook-ups available. The campground is open for reservable stays from Memorial Day Weekend through Columbus Day Weekend. First come/first served, walk-ins are welcome

### Facilities, Services and Amenities

Coin-operated showers, flush toilets, a boat launch, and a dump station are available. Water is not available after mid-October.

### Activities

The excellent trout fishing in Little Diamond Pond makes Coleman a great location for fishermen. It is also a good base for fall hunting. Other activities include hiking, canoeing, snowmobiling, cross-country skiing and ATVing on nearby trails.

### For Your Safety

Do not invite wildlife into the campground or to your campsite. Keep a clean site, dispose of food waste properly and secure all food and heavily scented items in your vehicle at night. Coolers left out are easily opened by raccoons or destroyed by bears.
