The information provided within this form will be evaluated to determine basic project eligibility. Following initial eligibility determination a pre-application site inspection will be scheduled with the sponsor. Site inspections allow one-on-one consultation with project sponsor and help identify other potential eligibility issues. Sponsors may submit an application for grant assistance only after eligibility has been determined by NHDNCR. Once a project is determined to be eligible, NHDNCR will issue to the sponsor an invitation to apply.

Failure to complete all sections may result in rejection of this form.
